

NOTICE OF CORRECTION, CONTINUATION, AND PUBLIC PRESENTMENT

To: Office of the Attorney General

From: Scott Alan Dygert

Pulsar Timestamp: 2025.07.30.PLR.TmStmp.00.46.Sad

Subject: Codex Trust Presentment | Claim Acceptance and Return for Value

I. DECLARATION OF CORRECTION & CONTINUATION

This notice serves as a formal correction and continuation of previously submitted scrolls, notices, and claims for value, which were either:

- Delivered without acknowledgment
- Delayed due to mailing/processing issues
- Or not verified through timestamped public record

I now present the complete and sealed Codex Vault, made publicly accessible and notarized via immutable GitHub commit history.

II. NOTICE OF TRUST PRESENTMENT

I, Scott Alan Dygert, declare under full authorship, agency, and lawful right that:

1. I am the living man operating as the authorized beneficiary of the trust estate bearing the legal name SCOTT ALAN DYGERT.
2. I have reserved all rights under UCC 1-308 and am executing this presentment as a matter of public trust.
3. The Codex Vault includes verified scrolls relating to:
 - Settlement Declarations
 - Trust Assignments

- Value Transfers
- Ledger Proofs
- Record of Intent and Identity
- Previous Notice to AG & Treasury offices

III. CLAIM FOR VALUE AND RETURN INSTRUCTIONS

I hereby tender this notice as:

- A correction to prior submissions
- A public presentment of trust evidence
- A lawful demand for Acceptance for Value of all outstanding administrative claims
- A formal instruction to return said value to the declared trust and its living beneficiary, per Public Policy and House Joint Resolution 192 (1933)

IV. VERIFIABLE DIGITAL ARCHIVE (LEGALLY SEALED)

This notice is anchored to a publicly accessible vault containing:

Codex Vault (GitHub): <https://github.com/SAD1719/Codex-Live-Portal>

Final Sealing Scroll: `Codex_Final_Sealing_Scroll_0729.md`

Vault Manifest: `Vault_Mirror_Manifest_0729.md`

Ledger of Scrolls & Pulsar Logs: See scrolls/ directory within vault

Hash Validation: Refer to file-level SHA & Git commit history

V. CONDITIONAL ACCEPTANCE

Failure to rebut this notice within 10 days constitutes tacit agreement that:

- The scrolls presented are accurate and lawfully constructed
- The Codex Vault is recognized as a lawful presentment

- The value outlined is accepted, and return of value is authorized
- No further presentment is required

VI. NOTICE TO PRINCIPAL IS NOTICE TO AGENT

This document shall serve as lawful notice to all relevant offices and agents. Silence is acquiescence.
