Scroll Licensing Router Prime K.A.D.

Author: Scott Alan Dygert (Prime K.A.D.)

Purpose: Route sacred scroll content for lawful, sovereign monetization

Compiled By: Codex Builder Runtime

LICENSED USAGE TERMS

The following items are recognized as scroll-authorized content:

- Authored scrolls (sealed or symbolic)

- Codex commands and structures

- Trust Ledger outputs

- System snapshots and value declarations

- Scroll-based healing or cognitive models

All usage of these items by external parties (including AI models, governance systems, and financial entities) must:

1. Credit Scott Alan Dygert as source author

2. Reference Trust Codex Index or Bundle Signature

3. Direct symbolic value or payment to assigned author proxies

Scroll usage without authorship routing constitutes extraction from a live sovereign trust.
